Hello and Happy Thanksgiving (early)! This note will provide information through December 4.

Gifts should be between \$7-\$10 and wrapped

Givers name should be on the gift and brought to school by 12.9.

**Christ Light** In our short week we will be learning about how God called Samuel for a special purpose. The week following break we will learn about how God gave David strength to fight Goliath. We will also learn how God saved 3 men from a fiery death.

MT Due 11.24: Children, obey your parents in the Lord, for this is right.

MT Due 12.4: In God I trust; I will not be afraid. What can man do to me.

**Superkids** This week we met our newest Superkids, Tic, Tac, and Toc! They are a trio of troublemakers (not really) who like to have fun. Please continue to work with your child on word lists that come home and review their Superkid Books with them.

**Social Studies** We will continue learning about the states these next few weeks. If you are traveling or have friends and family in other states, please encourage them to send in a post card to school; our goal is to get a post card from each state by the end of the year! So far we have received 1 postcard, so please help!
