

Kindergarten News

September 11-18

News and Notes

Yesterday was Picture Day and the kids did great! Attached you will find information about when you will receive a proof and how to order.

If you have not yet done so, please make sure to bring in snacks for the month of September this week. (20 single serving snacks).

Where are all of my child's projects?

As we go through the school year and the children make various arts and crafts items. I keep many of the children's projects and include them in a binder that the children can take home at the end of the school year. This way those projects can be treasured for years to come! A lot of our other classwork is done in spiral bound books that will come home when we have completed the unit of learning.

Upcoming Dates

9.16 Chapel

9.23 Chapel

9.28 NO School: Teacher In-service

Wish List Items:

Show & Tell Theme: All About Me! Children should bring in an object that tells about them; it could stand for a sport they enjoy, something they collect, etc..

Tuesday: Rylan, George, Isla, Marshal
Thursday: Jaxson, Kynslee, Mica, Charlie

Memory Treasure (MT) - Due by end of the week:

Keep asking and it will be given to you. Keep seeking and you will find. Keep knocking and it will be opened for you.

Christ Light

In Christ Light this week we will learn how God answered Abraham and Sarah's prayers for a child. We will know that God answers prayers in the way that is best for us at the right time.

Our second lesson this week will show us how Jacob didn't fully trust God's plan and tricked his father Isaac. We will learn that we should always trust in God's timing.

Superkids

This week we will meet our newest "Superkid" and explore the letter Gg. We will focus on the /g/ sound as heard in words like: God, gum, grape, grumpy, etc.

Please make sure to go through your child's Oswald book with them as well as their little reader. Discuss the vowel Oo and things that begin with that sound. There is also some extra practice work attached to the newsletter.

Some of the children are forming their letters from the bottom; if you notice your child doing that, it helps to have them write while laying on their stomachs. Laying on their stomach while writing makes it more difficult to form letters from the bottom up.

If you have misplaced the information on how to correctly form letters, you can always go to: <https://tinyurl.com/SuperkidPenmanship>

Social Studies

We will continue to explore the continents and what makes them unique and special!

Math

As your child brings home math work, please make sure to review it with your child. Practice writing numbers with them!
