Memory Treasure (MT) - Christ Jesus came into the world to save sinners.

### Christ Light

This week we will see how the Lord showed His love for children in the lesson, Jesus blesses the children.

Our second lesson, Zacchaeus, shows us how Jesus taught others that His love is for all and that He came into the world to save all of us sinners!

## Superkids' Club

This week we have began working with the Superkids' as they work to find a place to meet for their own club. We began working with the letter Bb. In your child's folder you will find flashcards to use with your child on our new words and a penmanship practice page. Next week we will begin work on our letter Rr in our same workbook!

## Social Studies

### PLEASE HELP!!

Thank you to everyone who has been spreading the word and having postcards mailed from all over to our classroom. The children are excited to read these as we continue our state learning. Postcards can be sent to:
