General Notes for the School Year (may be adjusted as the year moves forward):

- We will follow the St. John school guidelines for face coverings, handwashing, sanitizing, and social distancing.
- Students may want to bring an old towel or small blanket for when we sit outside for class or other activities.
- When MAPS testing, the time slot in the schedule will be 2:15 - 3:15 pm on Monday-Wednesday. (Catch-up will be during Study Hall for the rest of the week, as needed.)
- If the students are done with their work by Study Hall, they can use that time to practice typing or read a book. They could also practice their spelling words, or study for a quiz or test the next day.
- Singing for church and for Junior Choir are suspended until further notice. However, we may record singing in-class and incorporate it into St. John church's online services.
