March 6-13

If you did not bring March snacks in yet, please make sure to do so this week! If you would like to bring in something fresh/perishable, the kids would love it; please just check with me beforehand so that it doesn't conflict with something else.

Penny Wars will continue through 3.20. Please consider helping us collect as many pennies as possible to win the wars and raise money for "Pregnancy Counseling Center of Mundelein."

Pajama Party!

Please make sure to help your child learn and review their lines for our upcoming musical, "Pajama Party!" Also, please send in a stuffed animal with your child by 3.10 so that we can use it for practice. Costumes, which are just pajamas, are due by 3.13.

Entertainment Night begins at 6pm with a play by the preschool students, followed by the k-2 students!

First grade is around the corner & we would love to see your child continue at St. John. If you have any questions regarding first grade or would like to observe the classroom in action, please let us know! Stop by the office & save your child's spot for the registration fee of \$85. Beginning March 16 the fee will go up to \$150. Don't Delay! Register Today!

Christ Light

We will continue exploring Jesus' journey to the cross and what happened during the Holy Week.

In our first lesson we see how Jesus taught others the importance of respecting the House of the Lord.

In our second lesson, we will learn about the Last Supper and how Jesus instituted Holy Communion.

Science

We are still exploring our amazing solar system that God created. As we wrap up our learning about the inner planets this week, we will begin exploring the outer planets.

Superkids Club

This past week we were working with the letter Nn in our new workbook. This coming week we will move on to the letter Mm. Please review with your child the work that comes home and practice their words and penmanship pages!

USA Postcards

Thank you to those who have spread the word that we are working to try and get postcards from all 50 states. Our collection has started, but we need more help! Please ask friends, family, even strangers, to send us a postcard from the state they live in or travel to. Its an added bonus if they can add who they know in the class and an interesting fact about the state. They should send the postcards to:
