12/8-- Christmas Service Practice

12/16-- Children's Christmas Service

12/21-- Children's Christmas Service/ Early Release

We had a wonderful week!

We are busy practicing for our Christmas Service! Remember that practice is on Saturday from 9-10:30am.

The weeks before Christmas can be challenging as students are looking forward to a break, but encourage your child to stay on top of work and do his/her best!

We are working on treating everyone as children of God, and the students are doing an amazing job solving problems and getting along!

We have quite a few tests this coming week, so please help your child prepare.

Have a blessed weekend!

In Christ,

Ms. Grayckowski
