Stay Sharp!

I'll be sending home several opportunities for the students to stay sharp this summer:

- Math activities
- Book suggestions
- The B.A.T. (Brain Always Thinking) books
- Student logins for websites (I especially recommend that the 1st graders do Superkids and the 2nd graders practice typing!)

If there's anything else you need over the summer, send me an email and I'll get back to you as soon as I can.

Last Newsletter!

This is the last newsletter of the year, as next week we are just wrapping up the year with some extra learning activities. Thank you all so much for a wonderful year filled with God's blessings! I hope you all have a wonderful summer, and we'll see you again in the fall! ☺
