## November 8-15

If you did not yet bring in 20 single servings of snack for the month of November, please do so this coming week!

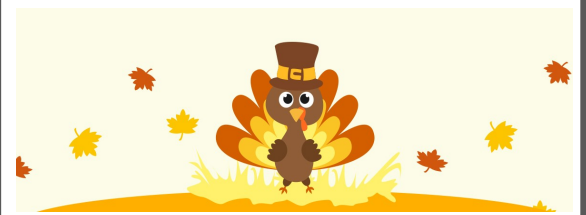

Today was Miss Schibbelhut's last at St. John. Please make time to stop by and wish her farewell as she heads back to Minnesota to continue her path towards graduation! May the Lord continue to bless Miss Schibbelhut and her work with children and our ministry!

**Thanksgiving Feast:** On Tuesday, November 26 at 11am, we will have our annual Thanksgiving Feast. Everyone is invited to attend! Please invite friends and family to watch a short program and enjoy some yummy food and great company. This is a half day of school and children should be picked up no later than 12 noon. So that we can plan accordingly, please RSVP using this google form link:

# Christ Light

This week we will begin the week reviewing the life of Moses. Then we will learn about how God helped the Israelites conquer the city of Jericho, just by following His directions!

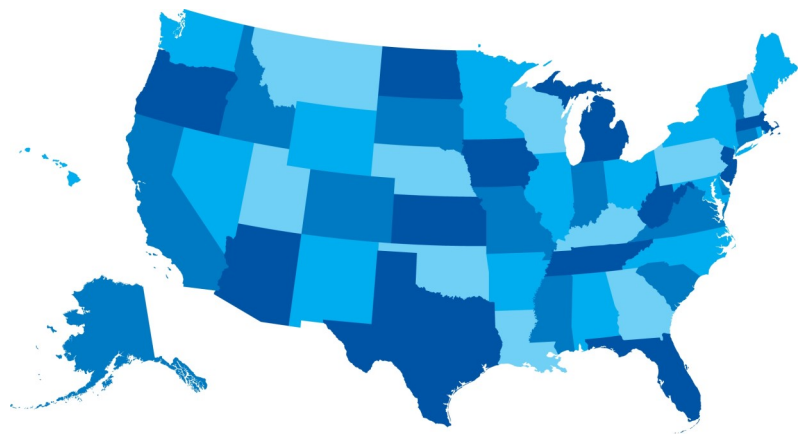

## Meet the Superkids

This past week we met our newest Superkid, Lily! Lily loves playing with her lion dolls and singing them lullaby's. Our list of words that we can sound out is growing fast and additional flash cards are in your child's red folder for review and practice. Your child will also have a little reader in their work folder, "Glad Golly." This works a lot with our gl and cl blends; please take the time to go through it with your child at home! This coming week we will meet another new Superkid who will help us learn a new vowel!

## Social Studies

As we continue to Please reach out to family, friends, well basically anyone, to send us a postcard! It is extra fun when the senders tell us who they know and an interesting or unusual fact about their state. Please have them mailed to:
