

MRS.THIES
PRE-3 CLASSROOM

May 16, 2025

I hope you all have a wonderful Summer Break!

BIBLE- REVIEW

THIS WEEK- In this section we learned our last 2 letters K and X and reviewed numbers 0-10. This section was all about seasons. The children learned what happens in every season and how the environment changes. The children also heard another classic story "The Wind and the Sun" and did a small activity to go along with the story.

NEXT WEEK- This is our last week of school. For the last week we will be learning about Dinosaurs. The children will learn what omnivores, carnivores, and herbivores are. They will learn what a paleontologist is and what they do. They will also have fun digging for fossils, learning some fun facts about dinosaurs, and hatching dinosaur eggs. If your child has something Dinosaur related they will be allowed to bring it to school this week to show their friends. During lunch time we will be watching the movie "The Land Before Time".

We will also play some games to review all the letters and numbers we have learned this year.

SAVE THE DATE

May 18- 8th grade graduation- All students sing @ 9 a.m. service please arrive at 8:45 a.m.

Friday May 23- Preschool and Kindergarten Graduation/Picnic (Children must be accompanied by their adult).

May 23- This is the last day of school. We will have a short closing service and then it will be Pre-K-3- K graduation. After graduation your child will be dismissed. Their adult must be there. You may leave or stay for the picnic. There will be a bounce house and plenty of food to eat.
