

Grades 5 & 6 Newsletter

St. John Lutheran School

September 11, 2020

Spelling Lists

By request, the spelling words for the next week will be listed by grade in the chart on the back of the newsletter. This way, the students will have the words over the weekend and can already start practicing them! You can also always find and practice the spelling lists at the following link:

<https://www.spellingcity.com/users/m.wintrone>

New Newsletter!

I realized that the way that the newsletters were being electronically shared before eliminated the links! I apologize, and with this format, hopefully everything will now be accessible.
