Week of: May 11-15, 2026

Bible

Jesus is the Good Shepherd-
When Jesus lived on Earth there were many shepherds. People knew what shepherds did so Jesus wanted to let people know he cared for them so he told them he was like a shepherd who came for his sheep. We trust in Jesus when he talks to us in his word. We know he died on the cross to take away all our sins. Jesus came back to life and will someday raise us to life in heaven. Jesus is the Good Shepherd and our Savior.

OUR WEEK OF *learning...*

This is the last section we will learn from the Investigators Club. We will be learning about Seasons.

Oral language- We will talk about things you see in different seasons and what sounds you may hear.

Letter of the Week- K and X

Math- 0-10/ Floor Graph

Story Telling Classic- "The Wind and the Sun" then small activity to go along with our reading

Science- "What's the Weather?"

Social and Emotional- The Picnic Is Cancelled. We will act this out and talk about our feelings if the picnic really did get cancelled.
