May 18-22, 2026 - **LAST WEEK**

It is hard to believe we've reached our final week of school—the year has flown by! I want to thank you all for making this such a fabulous and amazing year. If you have any questions, especially regarding our upcoming end-of-year schedule, please don't hesitate to reach out. I look forward to seeing everyone this Sunday!

SUNDAY

On Sunday we have the opportunity to celebrate our 8th grade graduates at our 9am worship service with brunch to follow. All school children sing; for more info and to let us know if your child will sing with us, please make sure to fill out the Google [Form](#).

Monday/Tuesday - Vacation-Walking-Watermelon

Depending on what the weather decides to do, we will walk to Dairy Dream with grades 1&2 for an ice cream treat in the afternoon! More information is included with this [form](#). Between the two days we will have a variety of walking, watermelon, and a vacation to Dairy Dream!

WEDNESDAY - XTRA FUN FIELD TRIP

Today we have our X-Tra fun field trip to Kohl's Children Museum. Please make sure that your child has a good breakfast and wears a **St. John shirt**. We will return to school around 12:30 for lunch and the remainder of the day. *no chapel today*

THURSDAY - YEAR END CLEARANCE

We will wrap up our learning and pack up the remainder of our items from the classroom and cubbies. Please make sure your child has an **extra bag** at school to use as needed.

Friday - Zero Days of School & Graduation Info

We conclude our year like we started, thanking God as a family with chapel.

Students arrive as normal and parents can find a seat in church for our closing service.

8:20 closing service begins (Prek and K students will sit together).

Towards the conclusion of the service we celebrate the accomplishments of our littles as they graduate preschool and kindergarten.

Following the ceremony, please pick your child up from their classroom.

After graduation we invite everyone to join us for picnic and fun! The kindergarten students are invited to play the games with their "Spirit Family" or they can play and have fun with friends!

MAY

As we wrap up our school year, we have a day to honor each letter in our alphabet. MOST days you won't have to do anything, other days your child may need help. There is a sign up sheet on the window for days that help is needed.

Help prepare for the day.
