

KINDERGARTEN NEWS

April 11 - May 2

Regular Worship Opportunities:

Saturdays at 5pm & Sundays at 9am with family bible hour to follow

Good Friday Tenebrae, April 18 at 7pm

Easter Sunday, April 20 at 9am

May God bless your family as you celebrate the Risen Savior!

The littles have been working hard on a special project to share Jesus' Journey to the Cross with others. This is something that can be used year after year to share that special message with others and I pray that it is! If you had children in my class in previous years, you might notice some differences with items used. Differences are most likely due to what I could find at the time that would work.

Next week Thursday we have our field trip. Please WEAR A ST. JOHN SHIRT and we will return to school for lunch, - they will be hungry!

Next week Friday is Spirit Day! Please have your child WEAR A ST. JOHN SHIRT so we can keep the Golden Eagle!

Next-*next* week Friday (May 2) we walk to the Library for Library Day (weather permitting). Please let me know if you would like to come along!

On Friday, May 9 we have a special event in honor of the special ladies in our lives. Find more details and to RSVP: <http://tiny.cc/moms2025>

Coming Up

Bookmobile

CHAPEL RESCHEDULED

5.1 King Day

5.2 Special Chapel Service

Library Day

Christ Light

Next week we will review the events of Holy Week and learn what happened after Jesus rose. "Doubting Thomas" wouldn't believe that Jesus was really alive until he saw him himself. Faith is believing without always seeing.

MT - I do believe; help me overcome my unbelief.

The next-*next* week we learn about Jesus ascending into Heaven and the command He gave to His disciples.

MT - And surely I am with you always until the end of the age.

Superkids' Club

We had a lot of fun this week with working with different words and they really enjoy when we write the room! Over the next two weeks we will finish with our letter Jj, workbook and will begin our final workbook Xx/Yy/Zz. We are doing more writing and I encourage the students to spell as much on their own; English is a tricky language!

Science/Social Studies

We had a lot of fun exploring our body systems and seeing how amazingly awesome God made our bodies. and how we can keep them healthy!

Check out the display outside of our classroom, we only have 16 more to go! The littles love it when the sender mentions their name! St. John Kindergarten Class, 501 West Park Ave., Libertyville, IL 60048
