BIBLE- Jesus Walks on Water

Important for Mothers Day Tea- This is a google link for the Mother's Day Tea on Friday May 10 https://forms.gle/djYu3bqPVj75hU9XA Please fill this out by May 6. We do prepare a video of pictures of moms, special ladies, and their littles; please email Sarah.Lofsness@stjohnslib.com with 2-4 pictures of your child with their "Special Lady (ies).

THIS WEEK-The children learned about the letter Q and the number 9. We talked about what happens to food after it leaves the farm and what they grow and what tools they may use at a farm. We also made a grocery list and went shopping in our kitchen for the items on the list. I also read them " Johnny Appleseed" and did a small project to go along with the story. We have also been watching and watering our plants. Our peas are starting to grow.

NEXT WEEK- The children will learn all about the letter W and the number 10. We will start a new unit this week. This will be the last theme with the Investigators Club. It will be all about weather and for this first section we will talk about rain and snow. We will be making raindrop suncatchers for art. We will talk about appropriate clothes you should wear when it rains or snows. I will read a Snowy Day to the children and talk about what fun activities to do in the snow. We will review in order what we need to put on to go outside to play in the snow. We will also learn about where rain and snow comes from.
