### **End of Year Notes**

Please make sure your students are completing any missing assignments. Teacherease is the best way to see what assignments are owed, or I can send you an updated progress report any time.

Please check to see if your students have any math textbooks at home. I have loaned some out this year that have not come back. Please make sure that if you have any, they make it back to school.

Report cards will be mailed out to everyone at the beginning of June.

Thank you!

### **8th Grade Graduation Service**

#### **Notes**

We will observe and celebrate graduation for the 8th graders in our 9:00 AM worship service on Sunday, May 21. 8th grade parents, please mark your calendars and plan to join us! All other students will be singing in that service.

Seventh grade families, please fill out the Google Form below to indicate if your child will be able to sing.

8th grade families, please be here by 8:45. I will meet with the graduates in my classroom before the service.

After the service, there will be a reception for the graduates.

### **Last Day of School Notes**

Please see this week's Eagle Express for detailed information on Olympic Day, which takes place the last day of school. After the games, a meal is served. Students can be picked up around 11:00 that day. Please see the link below if you are willing to sign up to help that day!

Also, please let me know if your child will not be attending the last day. This will help us to divide the students into teams for the games. Thank you!
